Last updated: May 1, 2019

Once you are logged in, there are two ways to find the course(s) you are enrolled in:

1. Through the [SIS](#) Dashboard using your username and password that was included in the course registration email.
2. Through the Course Information Menu Option

### To find your Course through the SIS Dashboard:

1. From the main menu, select the **Dashboard** option.

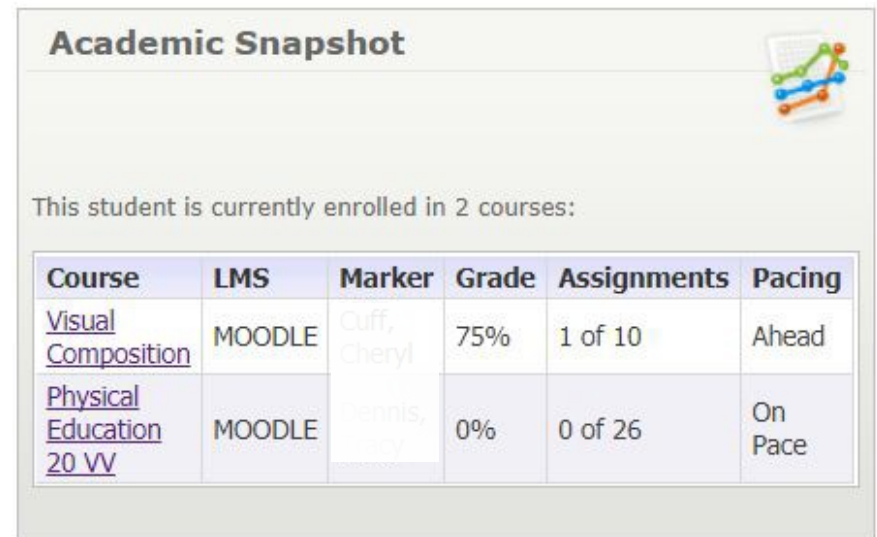

The screenshot shows the SIS Dashboard with a sidebar menu on the left containing options like Dashboard, Course Information, Academic Snapshot, Suggested Pacing, Gradebook, Student Information, Make a payment, and Edit Account. The main content area is titled 'DASHBOARD' and includes an 'Academic Snapshot' section with a table of enrolled courses, an 'Upcoming Events' section, and an 'Activity' section.
